

# SASP Booking & Activity Management System

## How to add a participant

**Contact:**

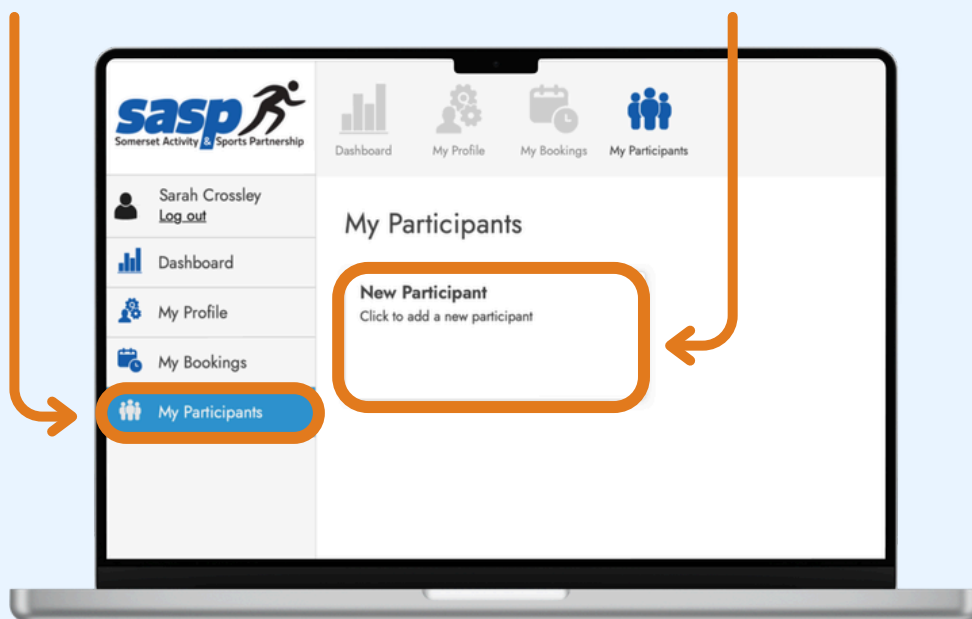

.....

**Customers**

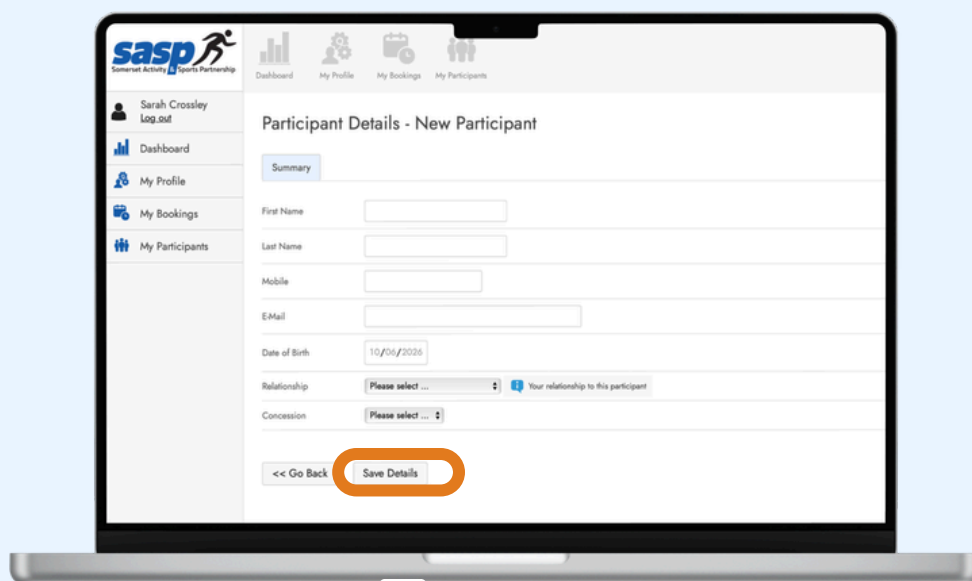

Bookings@sasp.co.uk

An adult or carer will create the account. They can then add other participants to it. To add a participant, first log in to your SASP account.

1. Click 'My Participants' option, then 'New Participant'

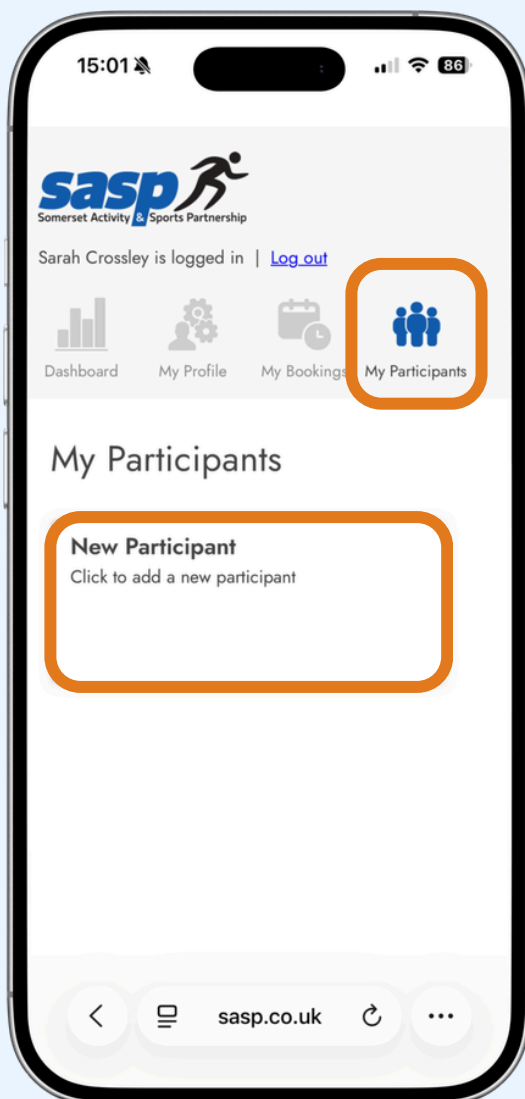

2. Make sure to fill in all relevant information and selecting save details at the bottom of the page

1.

Select 'My Participants' and 'New Participant'.

2.

Make sure to fill in all required information and select save details at the bottom of the page
