Promotions

10:00 in training video

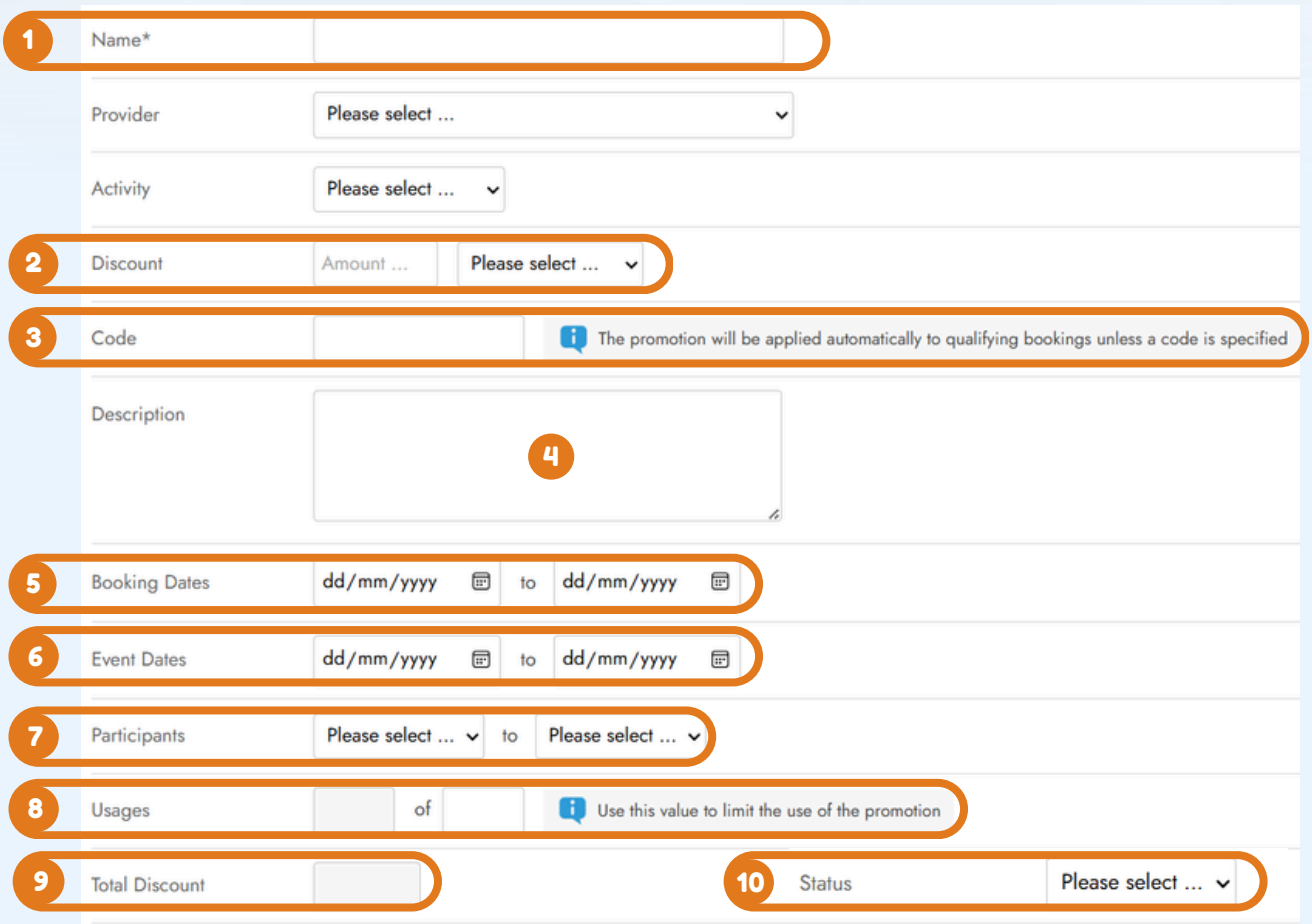

1. A Promotion is a discount to an Activity, A concession is a discount to an Event. Promotions and Concessions are usually funded by the provider themselves

2.

1. Name your new promotion, not your name
2. Amount of money or % deduction for the promotion
3. You can add a promo code, this can restrict who can receive the promotion
4. Details of promotion for future reference
5. If you would like the promo to only be used for bookings within a certain time i.e early bird bookings
6. Promotions could only be used for events running within certain dates and not the full course
7. Limit the amount of people that can use the promotion i.e first 10 to book
8. How many times the promotions can be used
9. A running total the amount of money the promotion has deducted
10. You can activate this promo and disable it
