

These heat maps have been produced to support the coordination of Holiday Activity and Food (HAF) programme activities in Somerset.

Before applying for funding to run HAF activities in Somerset, prospective activity providers should consult these maps and ensure that their activities are planned in or near areas of high need. As well as using locally sourced data from individual schools, prospective activity providers can use this map to evidence their choice of venue in their funding application.

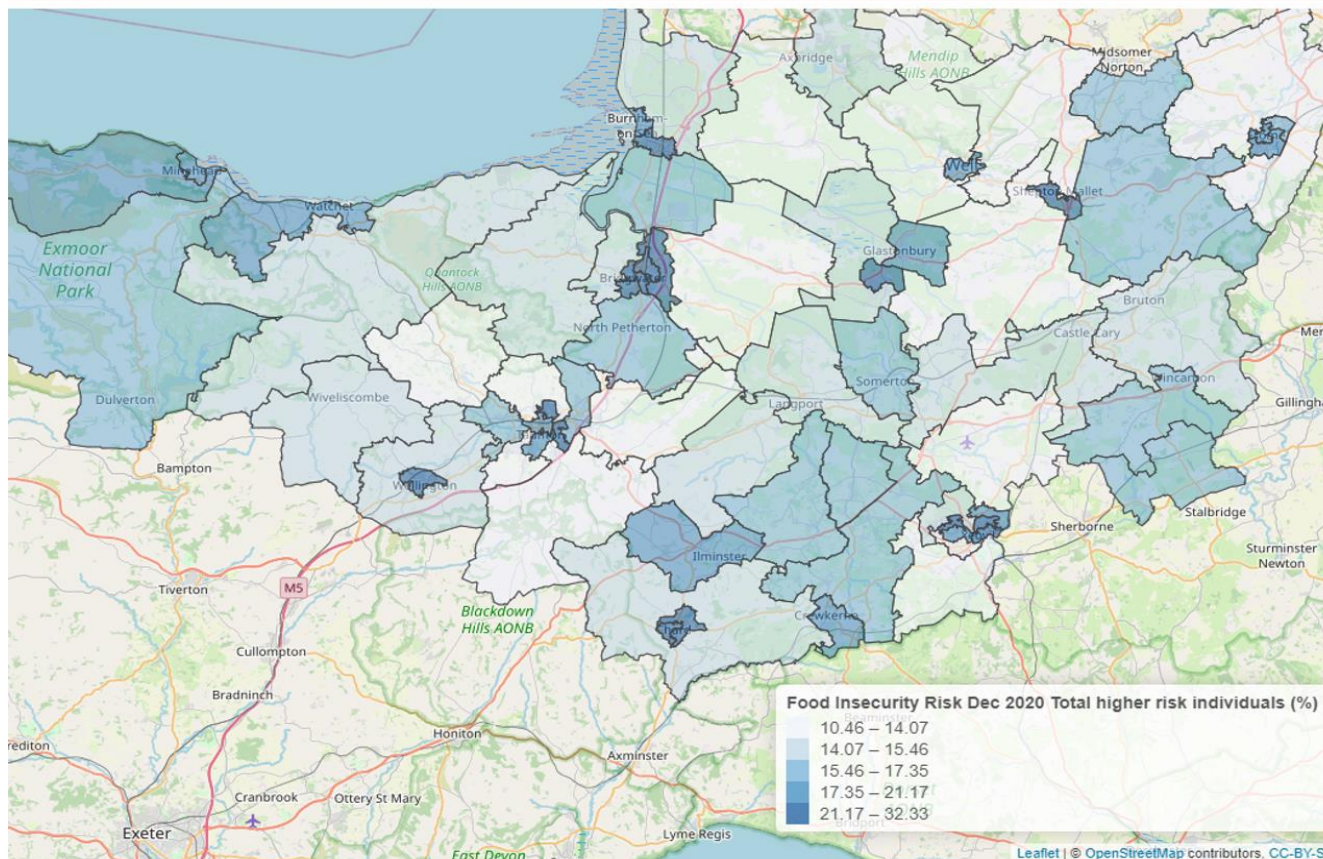

Maps Available

- Page 2 map – Easter HAF provision and the distance FSM and vulnerable children travelled to camps.
- Page 3 map – Figures of FSM children across Somerset (Dec 20)
- Page 4 map - Food insecurity risk [\(2020\)](#)
