Hayley Bullock - Schools Games Level 3 & Primary Premium Lead

As you will be aware the Education Secretary has now confirmed that the Primary PE and Sport Premium will again be in place for 2020/21. This is obviously excellent news and will enable you to continue and build upon the fantastic sport and physical activity offer you have in place within your school.

Below is a list of some of the organisations who can support delivery in your school, that you may find useful when planning your spend for this year. All the information given is written by the providers themselves.

If you would like any help or support with planning, please get in touch with the Somerset School Games Team or contact hbullock@sasp.co.uk or go to our website <https://www.sasp.co.uk/sport-premium-support>

Create development

Innovative training and resources supporting primary schools, families and communities to transform the culture of physical activity. Our unique, inclusive approaches create habits and develop essential behaviours, physical literacy, emotional and thinking skills in EVERY child.

Our partnership with SASP enables us to provide the highest quality teacher training in Somerset across a range of courses. Find out how to redefine what's possible for PE in your school by clicking on the following link [create development](#) or contacting Toni Smyth – tsmyth@sasp.co.uk

Channel Adventure

Channel Adventure is a specialist provider of Outdoor Education. Offering a range of outdoor high-quality activities from a fully equipped centre in Taunton, they are able to create a bespoke programme depending on your requirements. Activities can include: Stand Up Paddleboarding, Kayaking, Inflatable Rafting, Canoeing, Tree Climbing, Bushcraft, Raft Building, Team Challenges and much more. Get Set 4 PE

[Get Set 4 PE](#), the digital platform that is so much more than a SoW. With us, it's so easy for schools to access [everything](#) needed to teach high quality PE whilst focusing on the whole child. A holistic approach is at the core of everything we do, from engaging [families](#) in an active lifestyle to keeping children connected at [lunchtimes](#). We understand that PE reaches far beyond the school gates.

Healthy Futures

Healthy Futures is a SASP deliverable resource. The project is part funded through Public Health at Somerset County Council.

The multi component project usually lasts for 6 sessions and encourages children to develop their understanding of how to lead a healthy lifestyle. The lessons are fully interactive and provide opportunities for children to discuss their current lifestyle and also come up with solutions that will help them in the future.
