### Job Summary

The Skills for Sport programme aims to provide fun, inclusive skills sessions and friendly competitions to primary aged children. Skills for Sport Coaches will work in pairs and deliver a whole day programme at each targeted primary school. The morning activities will be focussed on delivering to individual classes (predominantly year 5/6) fun, skill-based games. The afternoon will involve organising teams from all the classes into an adapted competition, based on the skills learnt during the morning session.

The programme will also run during the Easter and Summer Holidays offering 2 day sports camps.

The key to the success of the programme is employing deliverers who have the ability to engage with young people and deliver activities in a fun and inclusive way. SASP will provide a tailored programme of training to all the Skills for Sport deliverers to ensure a quality of delivery across the programme.

### Main responsibilities and duties:

- To attend training as required (minimum of 4days) to learn how to deliver the Skills for Sport programme.
- To deliver fun and inclusive skills for sport programmes in primary schools and holiday camps.
- To attend virtual or face to face meetings with the Somerset School Games to update and evaluate each Skills for Sport programme delivered.
- To maintain electronic and paper records for collecting reporting, monitoring and evaluation data.
- To ensure events and activities take place in a safe way, ensuring risk assessments are in place and Health and Safety is adhered to at all times.
- Perform any other duties as reasonably required.
- To be able to work as part of a team.
